

Fact Sheet

<p>About NBS</p>	<p>NBS Northern Business School's formation was initiated by companies and trade associations within the metropolitan area of Hamburg. It offers its students two possible ways to receive a university degree: They can study either part-time while working at a company (the lectures then take place on Friday evenings and Saturdays) or traditionally full-time on weekdays. Our cornerstones are good teaching, individual support, small learning groups and a friendly working atmosphere. The employability of our students and a solid academic foundation are our declared goals. International students are welcome to come for one or two terms (visiting students) or to finish their whole studies at NBS (degree seeking students).</p>
